Subject: - Welfare Schemes for Architects Registered with the Council of Architecture – reg.

Dear Architect,

The Council of Architecture is pleased to introduce a **Group Term Life Insurance Policy** exclusively for Architects registered with the Council and their spouses. The policy, titled "**Glow Plus Voluntary Term Life Policy**", has been offered by **Go Digit Life Insurance Limited** in collaboration with **M/s KM Dastur Insurance and Reinsurance Brokers Pvt. Ltd.**

The policy has been specially curated to provide comprehensive financial protection, including an option for **Terminal Illness Benefit**, thereby offering enhanced security and peace of mind to members of the architectural fraternity.

This welfare initiative reflects the Council's continuing commitment towards the well-being of registered Architects by facilitating access to quality insurance protection at competitive premium rates. The policy provides a **Sum Assured of up to ₹10 Crore**, subject to the terms and conditions of the insurer.

The detailed features of the policy, including eligibility, benefits, coverage, premium rates, and enrolment process, are available under the **Welfare Schemes** section of the Council's website.

Please note that enrolment, premium payment, underwriting, policy issuance, servicing, and claim settlement shall be undertaken entirely by the Insurance Provider. The policy document will be issued directly by the insurer to the registered email address of the insured Architect. Dedicated customer support shall be available throughout the year through the representatives of Go Digit Life Insurance Limited and M/s KM Dastur Insurance and Reinsurance Brokers Pvt. Ltd.

The policy has been made available on the Council's website under the following link:
