Dear Sir/Madam,

The Council of Architecture is a statutory body established by the Architects Act, 1972 (A Special Central Act), in the Ministry of Education, Government of India for regulating architectural education and profession throughout the territory of India.

It has come to the notice of the Council that the office of Executive Engineer, Construction Division Lucknow-12, Neelgiri Complex, Indira Nagar, Lucknow, Uttar Pradesh has invited e-tenders for empanelment of Architects/Consultant Firms for comprehensive Architectural & Structural Consultancy work.

The Architects are asked to deposit EMD of Rs. 50,000/- and along with a tender fee of Rs. 1,770/- (1500.00+18% G.S.T).

Pertinent to the matter, I have to inform you that the profession of architects is regulated, controlled and maintained under the procession of the Architects Act, 1972 and Regulations framed thereunder. The Council is empowered under Section 22 of the Act to lay down, by Regulations, standards of professional conduct and code of ethic of Architects. These Regulations have overriding effect over any other law for the time being in force in India.

Further, it is informed that legal entities like LL.Ps and companies are not allowed to use the title and style of Architect or get empanelled to work as Architects.

Accordingly, the Council has framed the Architects (Professional Conduct) Regulations, 1989. The Regulation 2(1) (xiv) of the said Regulations provides that an architect shall not prepare designs in competition with other Architects for a Client without payment or for a reduce fee (expect in a competition conducted in accordance with the Architectural Competition Guidelines approved by the Council). Further, Regulation 2(1) (xii) provides that an architect shall observe and uphold the Council's Conditions of Engagement and Scale of Charges.

The Regulation 2(1) (xvi) provides that an Architect shall comply with Council's guidelines for Architectural Competitions and inform the Council of his appointment as assessor for an Architectural Competition.

Further, as part of ease of doing business these conditions are not insisted.

Under the provisions of the Architects Act, 1972, namely Sections 2 (a), 25, 35, 36 and 37 of the Act only an architect registered with the Council of Architecture or a partnership firm can only use the title and style of architect of any word/ derivate of word architect and none else.
